Milton High School Band Parent Association is excited to announce that we will be hosting our annual event, the Black & Gold Beats & Eats Music Festival and our new location for the event this year will be Jernigan's Landing in downtown Milton! This event directly benefits the Mighty Black & Gold Band and will be held April 18, 2020 from 10:00am – 8:00pm.

The Black & Gold Beats & Eats Music Festival will kick off at 10 am with the first performance beginning at 11am when Milton High School's very own Blackwater Beats Jazz band will take the stage. They will be followed by entertainment from a variety of local musicians and artist, with the final act concluding at 7 pm.

We are reaching out to you as a local business that has shown our band your support in the past by sponsoring them in different events throughout the year. This year the kids are working toward earning enough funds to help with replacement of band uniforms for 225 students. Currently the bands uniforms are over 13 years old and are no longer available "off the rack." Any repairs or replacements are custom orders therefore have become increasingly more expensive. The uniforms worn by the Mighty Black & Gold Band signifies membership and brings together each of these high school students with varying backgrounds, unifying them as one song in beautiful harmony.

Our band students work diligently during our hot summers and continue to work hard during the school year to perfect their sound and performance while keeping up their GPA which is another requirement of our band members. They shine as beacons of pride in our community. They demonstrate their courage and no matter what field they step onto are ambassadors as they display the excellence and comradery at games and various competitions. As the Pride and Spirit of Milton High School as well as the Milton community, we never turn away a child who wants to be a member and participate in the band program, regardless of their financial circumstances. The cost of new uniforms is an approximate \$80,000. Once the appropriate funds are raised to make the purchase of these uniforms they will certainly be worn with PRIDE by the Mighty Black & Gold Band.

Thank you in advance for your consideration to sponsor the 2020 Milton High School Black & Gold Beats & Eats Festival! It is our hope that this festival will remain a successful annual event for MHS and the city of Milton. This year we have waived the entrance fee and hope that you will join us for a day of fun, we plan to have local food vendors, direct sales vendors, live bands performing, along with our famous shish-kabobs! We appreciate any assistance you can provide in supporting this fundraising endeavor. Your aid will keep the Mighty Black and Gold Band marching toward success.
