# SCALES AND ARPEGGIOS

Denaro

C concert = C scale

F concert = F scale

Bb concert = Bb scale

Eb concert = Eb scale

Ab concert = Ab scale

Db concert = Db scale

Gb concert = Gb scale

B (Cb) concert = B scale

E concert = E scale

A concert = A scale

D concert = D scale

G concert = G scale

The image displays a series of 12 musical staves, each representing a different concert key for the tuba. Each staff begins with a treble clef and a common time signature (C). The scales are written in a descending sequence, starting from the first line of the staff and moving down to the first space. Each scale is followed by an arpeggio, which is a sequence of notes from the scale played in a descending order, starting from the highest note and moving down to the lowest note. The scales are: C concert = C scale, F concert = F scale, Bb concert = Bb scale, Eb concert = Eb scale, Ab concert = Ab scale, Db concert = Db scale, Gb concert = Gb scale, B (Cb) concert = B scale, E concert = E scale, A concert = A scale, D concert = D scale, and G concert = G scale. The key signatures are indicated by the number of flats or sharps at the beginning of each staff.
