- Determined by Director's Choice (60%) / Student Voting (40%)
- Must complete application packet.
- Leadership Interviews will take place during class on Monday, May 9th (may need to finish afterschool)

2. Make A Difference Project Procedures:

The scope and duration of the project are at your discretion. You may choose something that you think needs to be done or improved upon in and around the band room, Milton High School, or in the community. If you have any questions about the validity of your chosen project, please speak with the band directors prior to starting it. The point of this section is for you to get out and be visible in other places at the school and/or community. This is where you have the opportunity to show your creative side. You may do anything that you deem appropriate to convince the band that you are able to “think outside the box” and address issues in a different manner. Therefore, take a risk here. Once again, this should be fun for you and the organization. No part of your project should leave permanent marks on any school equipment or facilities.

- **THIS SECTION IS NOT ABOUT HOW MUCH MONEY YOU SPEND TO COMPLETE THE PROJECT!!!** In fact, the amount spent is NOT even considered in the final decisions.

- This is about seeing a need or an area that needs improving with the community, the school, or band/band room and fulfilling that need.

- HAVE FUN WITH THIS! There will be no class time given unless approval from the band directors is given prior to the event and the band directors should not be a part of the execution of this task.

- Try to really step out of the box and out of your comfort zone for this and reach out into the community.

3. Interview an administrator or faculty member on campus.

Ask them for their views on leadership. Band staff cannot be your choice. Write down your questions and answers in the space provided. Then YOU answer the following questions on that same piece of paper:

- What impacted you the most from this conversation?

- How are their ideas of leadership different from yours?

4. Essay Questions and procedures

On a separate piece of paper, please answer the following questions in a one to two-page essay and upload to the link provided in the online form:

- In your opinion, what makes a good leader?

- Briefly explain why you believe you are qualified for this position.

- What are your greatest personal strengths?

- What are some areas in which the organization could improve and how would you help to improve them?

- What are your objectives for the next school year in the office you would hold?

- Describe schedule conflicts (job, other commitments, etc.) that you may encounter and how you plan to handle this.

- How would you handle the disappointment if you were not selected for this/these position(s)?

5. Interview with the Band Directors

A sign-up sheet will be posted by the band office. You will sign-up for a 10-minute time slot for an in-person interview to be completed on Monday, May 9th. These interviews will occur throughout that day as well as limited time after school. Please communicate the time in which you sign up with your teacher well in advance. Also, make sure you consider any testing that may occur on that day. Guard and Percussion may sign up for any time slot as well but may need to be moved to after school depending on the availability of the instructors. Our goal is to have them participate in the interviews as well even if they are participating virtually.
